Dear Dr. Hashim:

Thank you for indicating your interest in supporting the FASEB Summer Conference entitled "Cytokines and Lipid Mediators" in 1995. Your contribution toward supporting this meeting is greatly appreciated. It is increasingly difficult to raise support for such endeavors, but we are most pleased that you are sympathetic to our needs.

We look forward to receiving your contribution, and if needed I will be contacting you in the fall. On behalf of the speakers and prospective participants in this meeting, we thank you and the members of your organization for your generous consideration.

Sincerely,

Charles Serhan/mhs
